Application No. 09/749,410

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner indicated that the previous notice of allowance lacked the signature of a Primary examiner and stamp and therefore prosecution in the application was being reopened. The examiner also indicated that there were several 112, second paragraph issues that had not previously been addressed in the application and proposed claims to overcome these issues. Applicants authorized the attached examiner's amendment to .
